DEDICATION

Because of the many years of service to the students of JCHS, we, the yearbook staff and student body of 2000-2001, would like to dedicate this WILDCAT yearbook to Ms. Gina Sepp. She has served the Jr/Sr High School in many capacities over the past 15 years. Ms. Sepp has coached basketball & volleyball. She has been the Student Council sponsor and Yearbook advisor. Some of the many subjects she taught were: Art, English, Title I Reading, & computers. We will never forget all the hours she spent decorating at the different dances so that they were the best in the state. She has made many special memories for us. Her artistic ability, time, laugh, friendliness, love, and concern are truly missed. We would like to thank her for these many years of dedication and work for the students of JCHS.

The team ended the season with a 20-6 overall record. Coach Larsen stated "We started out real slow. Our Senior pitching kept us in games early in the year. We improved each week of the season up to the State Championship game." We are proud of the baseball team and the State Runner-up Trophy which they brought home.
